Farewell Message

Luis Lopes
Superintendent

The Class of 2018 represents a major milestone in Southeastern's proud history. As you cross the stage, you join the ranks of over 13,000 successful graduates who went on to become a vital part of our local economy and serve as productive citizens in the Commonwealth, the country, and around the globe.

Congratulations on reaching this momentous occasion, take time to celebrate your accomplishments and move forward as a lifelong learner with purpose and direction.

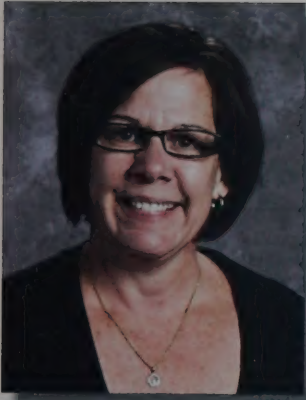

I truly wish you much success and happiness in your future endeavors.

David Degan
Principal

Southeastern Class of 2018, it has been an honor and a privilege to be your principal for the last year and a half. Although I did not get to start this journey with you, I am happy to have had the opportunity to get to know many of you. Over the past four years you have worked hard, expanded your skills and knowledge, and prepared yourself for the next steps beyond high school. You are bright, hardworking, and motivated. You are ready to take on new challenges and you are equipped to meet them head on. Becoming successful in life is the result of many small victories that are often interrupted by occasional defeats. Grow and prosper during your victories, and learn and reevaluate during your defeats. I am confident that you will have bright and promising futures, and that you will be our next generation of trend setters, skilled workers, and highly qualified leaders. I wish you all good luck and good fortune in your futures.
